

Welcome to Long Creek Golf and Country Club

Dear Event Planner,

Thank you for considering Long Creek Golf and Country Club as the host facility for your golf event. Our business is creating an entertaining event that elevates your business and relationships in the eyes of your staff, suppliers, special customers, and fellow guests.

When it comes to a country club atmosphere at a public course, it's hard to top the Long Creek Golf and Country Club at Avonlea. When it comes to challenging golf at a good price in Saskatchewan, this lovely 18-hole prairie valley course is also hard to beat.

Located four km east of Avonlea, and approximately 40 minutes south of Regina, Long Creek has been extremely popular since it opened in the 1980s. In recent years it has become a destination course for golfers in Southern Saskatchewan and neighbouring provinces.

At 6,542 yards from the tips, Long Creek may seem like a walk in the park, but it isn't. Greens tend to be medium sized and medium challenging. The course features numerous tight fairways and creek ravines that must be crossed to reach the greens. So, the patient shotmaker who can judge the yardages and hit an accurate shot will score well.

The attached Tournament Booking package is designed to enable you to plan a successful event at our facility. Our commitment to you and your guests is to provide casual elegance, high quality food, a unique golf landscape and outstanding service in a friendly and fun atmosphere. Together we will custom design an event that meets your enjoyment goals and will exceed the expectations of your guests.

After reviewing our package, please feel free to contact us to discuss the availability of dates and answer any questions you may have.

Sincerely,

Paul Schatz
